

Hassan El Berkaoui

Full-Stack Web Developer

Marrakech, Morocco +212 676 629 022 easymanageit.com

OPEN TO NEW PROJECTS

Not just a developer, a problem solver. Full-stack developer from Marrakech with 20+ projects delivered and 100% on-time delivery. I build custom solutions, not just well-designed websites — systems, apps, and platforms tailored for unique challenges. No matter the struggle, I always find a way.
